

2016 RECORD OF PARTICIPATION IN CONTINUING EDUCATION PROGRAMS

January 16 - 20, 2016
Orlando, FL

Tap your conference Name Badge with the door monitor each time you enter a session. We recommend you also document each CE session you attend on this form.

- 75-minute session = 1.5 CE credit hours
- 50-minute session = 1 CE credit hour
- 20-minute session = one-half (0.5) CE credit hour
- 15-minute session = one-quarter (0.25) CE credit hour

You can email CE Certificates and Records of Participation to yourself or print them at the On-site Registration Desk at the Gaylord and Marriott.* Visit NAVC.com/CE to download your CE Certificates from any location.

AT THE NAVC CONFERENCE 2016, I ATTENDED THE FOLLOWING:

	Date	Title of Session	Room	Speaker(s)	Hours
1	_____	_____	_____	_____	_____
2	_____	_____	_____	_____	_____
3	_____	_____	_____	_____	_____

It is the attendees' responsibility to track and report their CE hours to the appropriate licensing boards.

Signature of Registrant _____
Date

CONTINUING EDUCATION HOURS

With more than 1,200 CE Sessions, no other veterinary conference offers you a broader array of subjects. You're sure to find topics of personal interest, as well as courses for your entire veterinary team.

This NAVC Conference 2016 Scientific Program replaces any earlier versions posted on NAVC.com, delivered by mail or sent by email. Grid wall displays are located at the Gaylord and the Marriott. Be sure to download the mobile app for realtime schedule and event updates! PLEASE NOTE: Guests are not allowed entry into Scientific Sessions.

CONFERENCE NAME BADGE

To record CE attendance, tap your conference name badge with the door monitor each time you enter a session. We recommend you also document each CE session you attend on the 2016 Record of Participation in the CE Programs form.

RACE-APPROVED CE

The NAVC Conference 2016 courses meet the requirements for CE credit in jurisdictions that recognize AAVSB RACE approval.* PLEASE NOTE: Certificate of Attendance and number of veterinary CE hours you receive will be based on your registration type (Veterinarian, Veterinary Technicians, Practice Manager, etc). Some boards have limitations on the hours accepted in certain categories or restrictions on methods of delivery for CE as well as specific procedures for certification and documentation of attendance. Compliance is the responsibility of the registrant.

*RACE-approved. Our programs are reviewed and certified by the American Association of Veterinary State Boards Registry of Continuing Education (AAVSB RACE), a national clearinghouse for the approval of continuing education providers and their programs. Providers voluntarily apply to the RACE program and agree to abide by the RACE Standards. AAVSB does not solicit participation in the RACE program. The NAVC is an approved Continuing Education RACE Provider, Provider ID #172.

HOW VETERINARY CE CALCULATION WORKS

75 minute session = 1.5 CE credit hours
50 minute session = 1 CE credit hour
20 minute session = 0.5 CE credit hour
15 minute session = 0.25 CE credit hour

CE credits for Hands-on Laboratories, Meet the Professor Luncheons and Masterclasses are calculated on the number of hours each entails. It is the attendees' responsibility to track and report their earned CE hours to the appropriate licensing boards.

DOCUMENTATION

Procedures for certification and documentation of attendance are determined by the individual state board. Compliance with these policies is the responsibility of the registrant. We recommend that you keep a handwritten record of your session attendance to compare with the copy you can email or print at the CE Centers during the Conference.

VETERINARIANS LICENSED IN TEXAS

Veterinarians licensed in Texas MUST obtain their CE Certificate prior to leaving the NAVC Conference 2016. Print your certificates at the CE Centers. They cannot be mailed or issued after the Conference.

*The NAVC is an approved New York State Education Department CE Provider

SATURDAY | JANUARY 16
BREAKFAST, LUNCH & EVENING SESSIONS

HOSPITAL DESIGN 4-DAY WORKSHOP* - JANUARY 16, 17, 18 & 19		
8:00 AM - 12:05 PM	CRYSTAL SALON J	  Hospital Design - See p. 73 for topics and speakers
1:45 - 4:50 PM	CYPRESS FOYER 1	

*Additional fees apply. Preregistration required. Please check the Registration Desks for possible openings.

GAYLORD PALMS™

WORKSHOP		
1:00 - 4:00 PM	TAMPA	 International Export Certification of Pets Workshop

EVENING SESSIONS

NEW FOR 2016

Did you know that the NAVC Conference is now offering courses that provide credits for APHIS Approved Supplemental Training (AAST) units for veterinarian accreditation renewal?

Don't miss the National Veterinary Accreditation Program track on Tuesday, January 19 at the Gaylord!

See the session titles and speakers on p. 95.

BREAKFAST SESSIONS

6:30 - 7:30 PM	GRAND SALON 8	SPECTRUM LABS	Vital Vaccinations - Richard Ford
	GRAND SALON 1-3	Multi Radiance Medical Lasertongue™	Advances in Fighting Infection and Wound Care: High Density Blue Radiance and Super Pulsed Lasers - Kenneth Kopp
	CRYSTAL SALON G	OFA	Using Orthopedic Foundation for Animals (OFA) in Your Practice - Jerold Bell, Eddie Dziuk, Frances Smith
	GRAND SALON 7	Petplan pet insurance	Working With the Cash-strapped Client - Andy Roark
	CRYSTAL SALON J	VetriSCIENCE Laboratories	Entero-Chronic: A Powerful New Approach for GI Health - Sergi Segarra
